

Lyrics to the Preamble song from Schoolhouse Rocks

Hey, do you know about the U.S.A.?
Do you know about the government?
Can you tell me about the Constitution?
Hey, learn about the U.S.A.

In 1787 I'm told
Our founding fathers did agree
To write a list of principles
For keepin' people free.

The U.S.A. was just startin' out.
A whole brand-new country.
And so our people spelled it out
The things that we should be.

And they put those principles down on paper and called it the Constitution, and it's been helping us run our country ever since then. The first part of the Constitution is called the preamble and tells what those founding fathers set out to do.

We the people,
In order to form a more perfect union,
Establish justice, insure domestic tranquility,
Provide for the common defense,
Promote the general welfare and
Secure the blessings of liberty
To ourselves and our posterity
Do ordain and establish this Constitution for the United States of America.

In 1787 I'm told
Our founding fathers all sat down
And wrote a list of principles
That's known the world around.

The U.S.A. was just starting out
A whole brand-new country.
And so our people spelled it out
They wanted a land of liberty.

And the Preamble goes like this:

We the people,
In order to form a more perfect union,
Establish justice, insure domestic tranquility,
Provide for the common defense,
Promote the general welfare and
Secure the blessings of liberty
To ourselves and our posterity
Do ordain and establish this Constitution for the United States of America. For the United States of America...
